GENERAL SECRETARY. 8 JULY 1938

SIR,

Re. Grant for Works, etc., connected with the ensuing Panchalinga Darsana Jatra at Talkad, T.Narasipur Taluk.

In continuation of my letter of even No. dated 26th April 1938, recommending sanction to a lumpsum grant of Rs 2,000, to meet the above expenses, from the General Muzrai Fund, I have the honor to forward herewith a duplicate copy of letter No.H.1123/37 dated 30th June 1938 from the Deputy Commissioner,Mysore District, requesting sanction for a revised provision of Rs 3,000, and to state as follows:-

The detailed estimates of the Works, as called for in your letter No.1435/Muz.267-37-2 dated 4th May 1938, could not be submitted, as these are not yet ready. The Deputy Commissioner has promised to submit the same for sanction.

The Deputy Commissioner has now proposed revised estimates in respect of the several items of work, in consultation with the officers of all the connected departments with whom he visited the jatra area. The necessity for the 10 items of estimate scheduled in page 4 of his letter, costing Rs 3,300 has been fully explained under the major heads II to VIII of his letter, leaving out the question of repairs to roads for necessary action by the P.W.D.

Some saving is anticipated in respect of the estimates for removal of sand and white-washing, in case free labour is forthcoming from neighbouring villages, as on the previous occasion. In spite of a request made by him to the Mysore District Board, asking for a grant of Rs 2,250 from its funds towards sanitary and other charges, the Deputy

Commissioner states that he is not sanguine about the Board contributin any money for the purpose, and, therefore, requests sanctions to the entire provision of Rs 3,300.

Although no detailed estimates have been furnished in respect of each item, concrete proposals, as regards the several necessary items of expenditure, have been furnished by the Deputy Commissioner with explanatory notes. As on the last occasion, these works which do not require much technical skill, will be carried out through the Revenue Agency after obtaining detailed estimates for each item of work and sanctioning the same, as they are within my powers of sanction.

In view of the above explanation and the necessity to begin the works well in time, I beg to recommend that sanction of Government may kindly be obtained early, for a lumpsum grant of Rs 3,300 out of the current year's allotment of State and General Muzrai Funds for Construction and Repairs o Muzrai Institutions, as on the last occasion.

I have the honor to be,

Sir,

Your most obedient servant,

K. Chandrasekhara
Muzrai Commissioner.
